

Fort Scott Community College

Program of Study

English & Literature

In an information-based society, reading comprehension and writing skills are essential for everyone. The English program offers a rich and varied education in these vital areas of literacy, serving the individual student, the academic community and society at large.

Because four-year college requirements differ according to the major area of emphasis, students should check with the Advising Office regarding possible variations in courses.

Recommended courses:

ENG 1013	English 101	3
ENG 1023	English 102	3
ENG 2293	General Literature	3
