

## **Request for Proposals to enclose the south end of the Maintenance Building**

Fort Scott Community College is requesting proposals to enclose and finish the south end of the existing Maintenance Building.

### **Details:**

- The area is currently a covered parking area with walls on three sides.
- Prep and pour 6" thick concrete floor including steel reinforcement with #4 rebar 2'x2' on center or 6x6x6 wire mats elevated in the middle of the slab and control joints.
- The south end of the building is to be enclosed by building a wall along with installing two 12'x12' garage doors and one 36" walk door.
- Insulate existing walls, new wall, and ceiling with closed cell spray foam and cover the walls a minimum of 8' high with white metal liner panels on the east, west, and south walls.

**All interested parties should contact Rory Chaplin (620-223-2700) for additional questions.**

**Proposals can be submitted by email to [RFP@fortscott.edu](mailto:RFP@fortscott.edu)**

**or**

**Sealed envelope marked FSCC Maintenance Building**

**to:**

**Fort Scott Community College**

**Attention: Missy Scott, VP of Finance & Operations**

**2108 S. Horton**

**Fort Scott, KS 66701**

All proposals must be received by July 7, 2025 5:00 p.m. in the manner outlined above to be considered. Fort Scott Community College reserves the right to refuse any and all proposals submitted. All proposals are subject to board approval and availability of funds.
