- Accidents and Illnesses
  - Coordination of Policies by Enforcement Official
  - Copyright Policy

  - Student Conduct
  - Student Educational Records
  - Student Social Events

## **ACCIDENTS AND ILLNESSES (update in grey)**

If a faculty member or student becomes ill or is injured in a college-sponsored activity, the faculty member should proceed with emergency care as the case may warrant, as described in this section. Any college employee who discovers an accident involving a student on college property shall report the accident in a timely manner to the appropriate dean or Vice President or designated representative and follow the rules approved by the Board.

Only qualified college employees may assist a student suspected of injury other than attempting to make the student as comfortable as possible while waiting for competent medical treatment. Qualified employees, for the purpose of this policy, are those employees who have successfully completed an approved Red Cross first aid program or who have otherwise been approved by the President to administer treatment. College employees shall not attempt to treat any student injury after the initial treatment of emergency first aid. The college will not assume liability for employees acting outside the scope of their authority under these policies.

## **ACCIDENTS AND ILLNESSES (PROPOSED CHANGE)**

Fort Scott Community College (FSCC) is committed to maintaining a safe and secure environment for students, faculty, staff, and visitors. In the event of an accident occurring on campus, it is essential that all incidents are properly reported and, when necessary, emergency personnel are contacted immediately.

### **Procedure**

#### **1. Emergency Response**

- If an accident results in serious injury or poses an immediate danger, individuals should call **911** or contact campus security immediately.
- If medical attention is needed but is not an emergency, individuals should seek assistance from local medical providers or campus personnel.

#### **2. Accident Reporting**

- All accidents, regardless of severity, must be reported through the **FSCC Accident Report Form**, which is available online.
- The accident form should be completed as soon as possible by the individual involved, a witness, or an FSCC employee.
- Completed forms will be submitted to the appropriate FSCC office for review and record-keeping.

#### **3. Follow-Up and Documentation**

- The college administration will review accident reports and take appropriate follow-up actions as needed.
- If necessary, FSCC may conduct an internal review to address any safety concerns and implement preventive measures.

### **Compliance**

Failure to report an accident may result in corrective action as deemed appropriate by FSCC administration.

### **COORDINATION OF POLICIES BY ENFORCEMENT OFFICIAL (new proposal below)**

~~Law enforcement officers may be requested to assist in controlling disturbances of the college environment which the President or other college administrators have found to be unmanageable and which have the potential of causing harm to students, other persons or college property, who have exhibited undesirable or illegal conduct on college premises or at a college event held on college property and who have been requested to leave by an administrator, but have failed or refused to do so. College administrators shall meet at least annually with local law enforcement officials to discuss the college's policy and rules regarding law enforcement contacts with the college. Law enforcement officials will be asked to instruct their staffs as to the terms of the college's policies and rules~~

### **Investigation of Student Conduct**

Designated college officials, as appointed by the President, are authorized to investigate and question students regarding potential violations of college policies, the student conduct code, or other infractions. If there is reasonable belief that a criminal law has been violated, the administrator shall notify the appropriate law enforcement agency and may request further investigation into the alleged violation.

### **Coordination with Law Enforcement**

College administrators may engage in periodic meetings with local law enforcement agencies to discuss policies and protocols related to law enforcement interactions with the college. Law enforcement officers shall not conduct investigations on campus during college hours unless an emergency situation necessitates immediate action. In such cases, the administrator must verify the identity of the officers and the justification for the investigation or questioning of a student. If the administrator determines that the identification or justification is insufficient, the request may be denied. The administrator shall make reasonable efforts to notify the President and the officer's superiors if a request is refused.

### **Handling Criminal Violations**

Any information regarding criminal activity occurring on campus shall be reported to the appropriate law enforcement agency for further action.

### **Law Enforcement Custody of Students**

College officials shall not voluntarily release students to law enforcement unless the student has been formally placed under arrest or taken into custody by law enforcement or another authorized agency. If a student is taken into custody on college premises without prior notification to college administration, the college staff present shall request that the law enforcement officer notify an administrator as soon as possible.

### **Managing Campus Disturbances**

Law enforcement officers may be called upon to assist in managing disruptions on campus. If necessary, officers may take students or other individuals into custody to restore order and ensure the safety of the college community.

#### **SEARCHES OF DORM ROOMS AND STUDENTS (same, but added wording in blue)**

Searches of dorm rooms and students shall be conducted in accordance with institutional guidelines found in the Housing Handbook. No law enforcement officer may search any dorm room without a search warrant unless he has the consent of the President or designee and is accompanied by the President or designated representative. If a law enforcement officer wishes to search a student's dorm room, and he has a warrant for such search, the President or a designated representative shall immediately take such person to the student's dorm room and permit him to search the room.

## STUDENT CONDUCT (revised)

All student behavior shall be based upon respect and consideration for the rights of others. Students shall be responsible for knowing, and abiding by, the rules and regulations of the college. The college assumes that all students are able and willing to maintain standards of self-discipline appropriate to membership in a college community. A rigid code of conduct is purposely omitted in order to establish confidence in this assumption. The college reserves the right to take disciplinary measures in the best interest of FSCC. Discipline is the responsibility of the Dean of Students. Cases involving minor infractions of normal discipline are handled by the Disciplinary Review Board. Disciplinary action will be initiated when a student's behavior/action is determined to be dangerous to that individual's health/well being, infringement on others' rights, damage to college property, or any other situation which reflects negatively on the college community, programs, organizations, or activities. The college reserves the right to dismiss a student whose conduct is at any time unsatisfactory in the judgment of college officials. Conflicts with rules/regulations governing the following areas place a student in violation, and subject to discipline of the Student Code of Conduct. **Students should refer to the Student Handbook for specific offenses that violate the student conduct expectations.** (added this to remove the listing below)

**~~ALCOHOL AND DRUG POLICY~~** — ~~Alcoholic beverages and illegal drugs are prohibited on college property. Possession, distribution or use of alcoholic beverages, 3.2 beer, or the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance on the Fort Scott Community College Campus, within the college buildings or at any college sponsored event is strictly prohibited. Violation will result in immediate disciplinary action up to and including dismissal from college.~~

**~~ASSAULT AND BATTERY~~** — ~~includes any action, including hazing, which threatens the physical well being, mental health, or safety of others.~~

**~~DISHONESTY~~** — ~~includes cheating, plagiarism, other areas of academic dishonesty, or intentionally giving false information to the college.~~

**~~DISRUPTIVE BEHAVIOR~~** — ~~includes disorderly, indecent, or obscene conduct either in the classroom or on campus owned/operated facilities or properties on/at college sponsored events.~~

**~~ELECTRONIC COMMUNICATIONS~~** — ~~Students are expected to abide by ethical standards in the use of all electronic communications which includes, but is not limited to, electronic mail, Internet services, and electronic mail.~~

**~~FIREWORKS, FIREARMS AND AMMUNITION, KNIVES OR OTHER WEAPONS~~** — ~~A Fort Scott ordinance forbids the detonation of fireworks within the city limits. Kansas Statute 39-17-1309 forbids carrying weapons on school property. Firearms, ammunition, knives, explosives, explosive weapons, weapons of any type of any stolen property are strictly prohibited on the campus. This list includes, but is not limited to, any weapon designed to fire any projectile, i.e., paintball guns, bb guns, air rifles, pellet guns, etc. The college cooperates and will report any~~

violations to local law enforcement agencies for prosecution. Students will also be dismissed from the college should any type of weapon be used in a threatening manner.

**GAMBLING** — by Kansas Statute 21-4303, gambling is illegal and is not permitted.

**SMOKING IN RESTRICTED AREAS** — All buildings owned and leased by FSCC are tobacco free. Neither smoking nor chewing of tobacco is allowed within the buildings.

**TELEPHONE/LONG-DISTANCE DISHONESTY** — Students are not to make personal long distance calls on the college's phone line. Should students need to make personal long distance calls, they should use a personal credit card, call collect, or have the call charged to their home phone number. Unauthorized use of another student's credit card is strictly forbidden.

**THEFT/VANDALISM** — Theft or damage to college or other's property will subject students to college disciplinary measures as well as legal action.

**TRAFFIC LAWS AND REGULATIONS** — All local and state regulations are in effect on campus 24 hours a day. City, county and state law enforcement agencies have jurisdiction on campus. All laws and regulations are strictly enforced to assure safety.

Fort Scott Community College takes copyright protection very seriously. Many scholars, musicians, and performers rely on copyright to protect their intellectual property. The following information explains what copyright infringement is, what the consequences of copyright infringement are, and the policy for those who illegally access music, TV shows, or movies. This information is not intended to be a comprehensive treatment of copyright laws; it is intended to provide basic information to help you avoid copyright infringement.

Fort Scott Community College prohibits the use of its network resources (i.e., internet/WiFi) to conduct inappropriate and/or illegal activity. The College complies with applicable federal and state laws and requires that network account holders do the same in accordance with FSCC's Policy on Computer and Internet Acceptable Use. Alleged violations of the Computer and Internet Acceptable Use Policy shall be subject to disciplinary due process. Unauthorized or improper use will lead to the possible revocation of the user's access, and the College may also require restitution for any use which is in violation of the usage guidelines. Fort Scott Community College will pursue criminal and civil prosecution of violators when appropriate.

### **What is Copyright Infringement?**

Copyright holders are granted exclusive rights under section 106 of the Copyright Act (Title 17 of the United States Code) including the right to reproduce, distribute, display, or perform the copyrighted work or to make a derivative work. Copyright infringement is the act of using works protected by copyright law without permission or legal authority. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without permission or the authority to do so constitutes an infringement.

Disorder and disruption of college activities will not be tolerated, and persons attempting to endanger the safety of students, college personnel or other adults, to damage college property, to interfere with college activities or the educational process, will be asked to leave the premises.

The college administration and staff are responsible for handling any problem. The final decision for determining if assistance is needed is the responsibility of the college administrator. In the absence of the administrator, the determination shall be made by the assistant administrator or person designated to be in charge of the activity. 2. USD #344 owns and is in possession of the location of the FSCC program at 1701 Laurel Street, Pleasanton, Kansas and agrees to make this space available for the operation of the FSCC program, for instruction and related administrative services.
3. The term of this agreement is from July 14th, 2025, to June 30th, 2026. Either party may thereafter terminate this agreement without cause by providing the other party with at least thirty (30) days advance written notice prior to the expiration of the regular semester course of instruction, provided, however, any ongoing courses will be permitted to be completed at the FSCC campus at 1701 Laurel Street, Pleasanton, Kansas for the duration of the contract.
4. Fort Scott Community College (FSCC) agrees to cover the annual rental cost of \$25,209 for use of the building, as well as reimburse USD 344 Pleasanton Schools for property insurance and fixed utility expenses. These utilities include electricity, natural gas, water, internet/phone service, pest control, and trash removal. FSCC may choose either to place the utility accounts in its own name and pay these expenses directly, or to reimburse USD 344 annually for the actual utility costs incurred.
5. USD #344 agrees to maintain and perform all reasonable and necessary repairs throughout the term of this agreement to ensure that all real and personal property, both inside and outside, remains in good condition and working order. FSCC will provide adequate custodial supplies.

9. This agreement is not a lease and the parties are not to be considered to be in partnership. FSCC is not assuming any duties and liabilities that apply to the owners and occupiers of land. USD #344 is not assuming any liabilities in connection with the actual providing of instruction and training. Each party therefore agrees to indemnify and hold the other harmless of and from any liabilities it may incur which arise out of the obligations and duties of the other.
