Students will receive their mail from their assigned mailboxes that are located in the housing facilities. For those living off-campus, mail is delivered by housing staff to each student's room. Packages are delivered to the bookstore, where they can be picked up Monday through Friday from 1 PM to 4 PM.

## Airport Transportation

Fort Scott Community College provides transportation for students to and from Kansas City International Airport (MCI) at the beginning and end of each semester. This complimentary service is exclusively available to FSCC students. Please note that individualized transportation will not be provided. If the scheduled bus times do not align with a student's flight schedule, it is the student's responsibility to make alternative travel arrangements.

## Safety

Your safety is our top priority. Both Boileau Hall and Greyhound Hall are equipped with card-activated locks at their main entrances, ensuring that access is restricted solely to individuals with FSCC Identification cards. Additionally, Garrison Apartments features a PIN code access lock for its laundry room, which is exclusively available to students and FSCC employees. Our campus is comprehensively protected and monitored through a combination of surveillance cameras, housing staff, and security personnel. We take great pride in maintaining a safe environment for all.

## WIFI

WIFI is available at all housing locations and throughout campus, allowing you to stay connected wherever you are! Your WIFI password for your dorm will be located in your Welcome Packet! This packet is given to you when you check in on Move-In Day.
