

REQUEST FOR PARTNERSHIP PROPOSALS (RFP)

FRAME Grant Residential Construction Partnership

Fort Scott Community College
2108 South Horton Street
Fort Scott, Kansas 66701

Project Overview

Fort Scott Community College (FSCC) invites qualified contractors, developers, builders, and construction firms to submit proposals to partner with the College in the construction of residential housing as part of the Kansas Department of Commerce Fostering Residential Advancement through Mentoring and Education (FRAME) Grant Program.

The purpose of this project is to:

- Increase quality residential housing opportunities within Bourbon County.
- Provide meaningful hands-on educational experiences for students enrolled in Fort Scott Community College's Construction Technology and related skilled trades programs.
- Strengthen workforce development through collaboration between education and industry.

FSCC is seeking a construction partner that shares the College's commitment to workforce development while delivering quality residential housing.

Project Scope

Fort Scott Community College is requesting partnership proposals for residential construction projects. Proposals may include, but are not limited to:

- Single-family homes
- Duplexes
- Townhomes
- Multi-family residential housing
- Other residential housing concepts

The College welcomes innovative residential construction concepts that best meet community housing needs while maximizing educational opportunities for students. The objective of this project is to construct the equivalent of four (4) residential homes in accordance with the requirements of the Kansas Department of Commerce FRAME Grant. For purposes of this project, each single-family residence counts as one (1) home, and each duplex counts as two (2) homes. Proposers may submit concepts utilizing single-family homes, duplexes, or a combination thereof, provided the proposed project satisfies the grant objective of four (4) residential homes.

The selected contractor will work collaboratively with FSCC throughout planning, construction, and project completion.

Student Partnership

A primary objective of this project is student learning.

The selected contractor shall provide meaningful opportunities for students to observe and participate in appropriate phases of construction under the supervision of qualified personnel.

Each proposal should describe:

- How students will participate
 - Types of work students may perform or observe
 - Safety procedures and supervision
 - Coordination with FSCC instructors
 - Educational value of the proposed partnership
-

Contractor Responsibilities

The selected contractor will be responsible for:

- Project planning and coordination
 - Construction management
 - Scheduling
 - Permits and inspections
 - Compliance with applicable building codes
 - Quality workmanship
 - Coordination with Fort Scott Community College
 - Cooperation with applicable FRAME Grant reporting requirements
-

Sale of Completed Properties

Completed residential properties will be marketed for sale by Fort Scott Community College following construction in accordance with applicable FRAME Grant requirements.

Contractors may indicate within their proposal whether they have an interest in purchasing completed properties after construction. Any future purchase shall be subject to College approval, applicable procurement requirements, grant requirements, and negotiated terms.

Proposal Requirements

Each proposal shall include:

- Company background and qualifications
 - Experience with similar residential construction projects
 - Proposed housing concept
 - Preliminary floor plans, renderings, or example designs (if available)
 - Proposed project schedule
 - Estimated project budget
 - Student participation plan
 - Three project references
 - Proof of insurance or statement of insurability
 - Statement of bonding capacity
-

Bonding Requirements

The successful proposer shall furnish the following upon execution of the contract:

- Performance Bond
- Payment Bond

Each bond shall be in the full amount of the contract and issued by a surety authorized to conduct business in the State of Kansas.

Insurance Requirements

Prior to execution of the contract, the selected contractor shall provide certificates of insurance evidencing:

- Commercial General Liability
 - Workers' Compensation
 - Automobile Liability (if applicable)
 - Any additional insurance reasonably required by Fort Scott Community College
-

Evaluation Criteria

Proposals will be evaluated based upon:

- Understanding of the project
- Quality of the proposed housing concept
- Commitment to student education
- Qualifications and experience
- Project schedule
- Overall value
- Estimated project budget
- References

Fort Scott Community College reserves the right to request interviews or additional information from one or more proposers.
