

2023-2024 Fort Scott Community College Degree Appeal Form

According to federal regulations, a student may only receive federal funding until they have obtained a degree, certificate, or have attempted 150% of the required credits necessary to receive the degree or certificate of which they are seeking. Our records indicate you have met, or are approaching, one of those criteria. In order to determine your eligibility for federal funding, you must complete this form in detail. Please print clearly in blue or black ink. Incomplete appeals will not be reviewed.

Please return this form to the Financial Aid Office as soon as possible. The Degree Appeal Committee will review each appeal form individually and may request additional information from the student. Filling out the appeal form is no guarantee of approval for financial aid, including federally funded loans. If approved, financial aid can only cover classes that are **required** for your degree/certificate. The committee's decision is final and cannot be appealed.
