

Assessment Report

General Education		AY 2022-23	Submitted By: Sonia Gugnani		
General Education Learning Outcomes	GELOs	Means of Assessment and Criteria for Success	Summary of Data Collected	Findings	Use of Results
1. Mathematical Skills	Students will demonstrate effective mathematical skills.	ETS Proficiency Profile. Benchmark: Scores for our students will fall within 1 standard deviation of the national mean.	The data is aggregated for fall and spring and is compared to the national mean.	The overall score for our students for AY 22-23 was 111.6. <i>Benchmark met</i>	FSCC will be utilizing the online version of ETS Proficiency Profile.
2. Critical Thinking Skills	Students will apply critical thinking skills to evaluate possible resolutions to a given scenario.	ETS Proficiency Profile. Benchmark: Scores for our students will fall within 1 standard deviation of the national mean.		The overall score for our students for AY 22-23 was 109.1. <i>Benchmark met</i>	
3. Communication Skills	Students will demonstrate effective communication skills.	Career project in Capstone course utilized for assessing. Rubric was created and piloted in fall 2021, spring 2022. Benchmark: 70% of the students will score a 3 or above on a 4-point rubric.	Interrater reliability was established by communication faculty independently assessing a sample (20%) of projects from the capstone course. The faculty discussed the results, noting acceptable interrater reliability among graders. In most cases, faculty rated student performance within 1 point of each other.	Fall 2022: 79.7% of the chosen sample scored a 3 or better. <i>Benchmark met.</i> Spring 2023: 45.8% of the chosen sample scored a 3 or better. <i>Benchmark not met.</i>	Specific information was added to the rubric in order to have a clear distinction between the achievement levels.

4. Technology Skills	Students will demonstrate effective use of technology.	Various artifacts from Capstone course were utilized. Rubric was created and piloted in fall 2021, spring 2022. Benchmark: 70% of the students will score a 3 or above on a 4-point rubric.		Fall 2022: 71.3% scored a 3 or better. <i>Benchmark met</i> Spring 2023: 91.9% scored a 3 or better. <i>Benchmark met</i>	Create guidelines for assessing the technology rubric.
