## Carol Meza-Bakke 2024 Outstanding Alumna

Carol Meza-Bakke is a driven individual who has achieved numerous accolades throughout her career. As a first-generation college graduate, Carol understands the value of education and has used it to make a significant impact in her field. Meza-Bakke currently serves as the field director and as an instructional professor of social work at Pittsburg State University (PSU). She is also the primary advisor for the Student Veterans Organization.

Carol was recently appointed by Governor Laura Kelly as one of 29 military council members at the state level. Meza-Bakke is the founder of the Brad and Dana Cameron Scholarship, which is awarded to students in social work and criminal justice programs.

In addition to her academic achievements, Carol is a veteran of the United States Army and a Purple Heart recipient. Her 12 years of military experience have instilled in her the discipline, dedication, and perseverance necessary to overcome any obstacle. Carol's passion for serving others has extended beyond her military service, as she has also worked in the child welfare field and for the Veterans Benefits Administration.

Carol's educational background is extensive, having earned an Associate in Criminal Justice degree from Fort Scott Community College, a Bachelor of Social Work degree with a minor in psychology from Pittsburg State University, a Master of Clinical Social Work degree from the University of Kansas, and a Ph.D. in Social Work from Our Lady of the Lake University. Her dissertation was titled: Experiences and Coping Mechanisms of Active-Duty Women, Survivors of Military Sexual Trauma Who Sought Mental Health Services within the Civilian Sector: A Thematic Analysis. Her research interests include military social work, trauma-informed care, the undocumented population, and preparing social work students for gun violence.

Despite her many accomplishments, Carol remains grounded and dedicated to her family. She enjoys exploring the outdoors with her husband and two children, engaging in activities around their farm, and pursuing her hobbies of fishing, camping, hunting, and rescuing homeless animals.

## Takudzwa Basopo 2024 Outstanding Sophomore in General Education

Takudzwa (Basi) Basopo graduated from the Hellenic Academy in Harare Zimbabwe on January 10, 2022. He was an active member of his high school and took part in numerous sports and activities including field hockey, cricket, cross country, and track. Takudzwa was honored to be named captain of his golf team, the sport that ultimately led him to the United States.

Takudzwa was also a proud member of Toastmasters International.

Takudzwa's community service efforts include participating in clothing drives, volunteering at FSCC athletic events, trash pick-up days, and volunteer hours with Phi Theta Kappa (PTK) and FSCC Golf.

His scholastic honors include Phi Theta Kappa Honor Society and President's and Vice President's Honor Rolls. Takudzwa earned both a PTK scholarship and an athletic scholarship from FSCC. He was also honored as the 2023-2024 FSCC Homecoming King and is considered an "honorary" member of TRiO.

When asked what he enjoyed most about his time at FSCC Takudzwa stated, "The people and the community in general. There is not a more welcoming community than Fort Scott."

Takudzwa is appreciative of the opportunities afforded him by FSCC explaining, "If you truly believe in your goals and work hard, you will eventually achieve them." Takudzwa credits much of his success to the community, faculty, and staff, and wanted to thank the following people for the integral role they played in his journey to graduation, including faculty members Doug Hurd, Rachel Stauffer, Gerald Hart, Deborah Allen, DeeAnn VanLuyck, Deborah Hyland, Maria Bahr, Vanessa Poyner; FSCC TRiO Staff Holli Mason, Jessie Carr, Stacy Bishop, Jodi Murrell; International Student Coordinators Preecia Howser and Courtney Metcalf; Director of Library Services Susie Arvidson; Director of FSCC Bookstore Christina Kennedy; FSCC Cashier Amber Swarens, and Great Western Dining Employees Alex Hickman and Jeff Russo. Lastly, he wanted to recognize FSCC Golf Coach Jeff Tadtman for allowing him the opportunity to be a student at FSCC.

After graduation from FSCC, Takudzwa plans to transfer to Oklahoma Panhandle State University where he will play golf and major in business administration. He then plans to pursue a career in the field of business while playing golf competitively.

## Lane Roberts 2024 Outstanding Sophomore in Career and Technical Education

Lane Roberts graduated from Humboldt High School in Humboldt, Kansas in 2020. While in high school, Lane was an active member of the National Honors Society, Future Farmers of America and the baseball team. One of Lane's biggest accomplishments during high school was winning the Kansas FFA Agriscience state contest giving him the opportunity to compete at a national level where he finished 11th place individually.

Lane's community service efforts include volunteering at the local Pioneer Harvest Fiesta, cleaning up the local fairgrounds, passing out candy at the Uniontown Truck-or-Treat event, and volunteering at the Christian Bible Camp in Thayer, Kansas.

His scholastic and activity honors include the President's Honor Roll, FSCC Meat Judging Team scholarship and numerous other academic scholarships. During his meat judging career, Lane's highlights were placing 2nd High Individual at the National Western Meat Evaluation Contest in Denver, Colorado and helping his teammates win the Fort Worth Livestock Show and Rodeo Meat Evaluation Contest in Fort Worth, Texas. Lane also had the opportunity to participate in an internship at Foote Cattle Company in Imperial, Nebraska where he worked the row crop farm, rode pens in the feed yard, and doctored cattle.

When asked why he is deserving of this award, Lane stated, "I am a hard-working student that always tries to help other students with material that is difficult and hard to understand. I also have learned a lot of different things from FSCC through meats judging and various classes that I have taken."

Regarding his time at FSCC, Lane explained, "My instructors have made the content I have learned easy to understand. They do a really great job at explaining everything and being available to help when it is needed. Because of my experience at Fort Scott, I know that I have the knowledge that I need to go on in my new career. I will always have instructors that I can rely on for advice when I face challenges in the future. FSCC has made getting a degree more enjoyable than I thought it would be because I was able to find a group of people that treated me like family."

After graduation from FSCC, Lane plans to move to Nebraska where he will work on a farm running day-to-day operations.
