

**FORT SCOTT COMMUNITY COLLEGE**  
**Minutes of the Board of Trustees Meeting**  
**January 29, 2024**

**PRESENT:** Ronda Bailey, Jim Fewins, Bryan Holt, Chad McKinnis, and Doug Ropp

**ALSO PRESENT:** Jason Kegler-President, Juley McDaniel-Board Clerk, faculty, staff, community members

Board Clerk McDaniel called the meeting to order at 12:02 pm in the meeting rooms of the Ellis Fine Arts Center.

A motion was made by Fewins seconded by Bailey and carried by unanimous vote to appoint Bryan Holt as chair pro tem.

**COMMENTS FROM THE CHAIR:** Chair pro tem Holt stated Chair Bartelsmeyer was sick and unable to attend. He then led the room in the Pledge of Allegiance.

**COMMENTS FROM THE PUBLIC:** Steve Anthony spoke to the Board about his desire to be able to get former FSCC players who are now playing in the NFL inducted into the FSCC Hall of Fame. He volunteered to lead whatever work is required to allow the induction of those 4 former students who are now playing professional football. If a policy is preventing the induction, he advocated for a change of policy.

**REVIEW OF PROGRAMS - JOHN DEERE:** John Deere Technology instructors Kent Aikin and Dale Griffiths presented an update about FSCC's John Deere program. They provided a history of the program and offerings, adding that twenty-one other institutions offer the program. John Deere Corporate makes annual contributions to FSCC's program with training aids, new machines, instructor education, and budgetary assistance for classroom learning, banquets, and recruiting assistance. Last year this amount was near \$19,000. Ninety-five percent of graduates are hired full time at their sponsoring dealership, and their salaries can range from \$50,000 - \$100,000 annually. FSCC's program provides required certifications for these students to work in the industry, as well as an Associate of Applied Science Degree, which can be used to obtain a bachelor's degree at Pittsburg State University or Kansas State in Salina by way of a 2+2 agreement. The proposed changes to FSCC's program will easily double the number of students graduating every year, and FSCC is serving as the pilot school for this change in every other school in the country. Currently there are 21 freshmen, 17 sophomores, and a waiting list for the beginning of next semester. FSCC will increase enrollment from 22 new students to 48 new students per year, and up to 68 new students per year in five years. The increased enrollment would require a third or even a fourth instructor. Students in John Deere are eligible for FAFSA and Kansas Promise Act.

**CONFLICT OF INTEREST DISCLOSURE:** Dr. Kegler reviewed a Conflict of Interest Disclosure form with the Board requesting the Board to identify their conflicts of interest. A blank form will be posted to the website. Signed documents should be returned to Juley McDaniel. Should the board approve an upcoming policy in next month's meeting, all employees will be asked to complete a Conflict of Interest Disclosure in the future.

**AFFIRMATION OF SERVICE:** Dr. Kegler reviewed an Affirmation of Service form. One form will be signed by all Board members. Signed documents should be returned to Juley McDaniel, and the signed document will be posted to the website.

**EXECUTIVE SESSION:** A motion was made by Fewins, seconded by Ropp, and carried by unanimous vote to adjourn to executive session for 5 minutes beginning at 12:40 pm for the purpose of discussing non-elected personnel as it relates to appointment of officers, positions, and officials with action expected to follow in the appointment of officers, positions, and officials. The Board invited Dr. Kegler to join.

**OPEN SESSION:** A motion was made at 12:46 pm by Fewins, seconded by McKinnis, and carried by unanimous vote to return to open session.

**ELECTION OF OFFICERS:**

A motion was made by Fewins, seconded by Ropp, and carried by unanimous vote to appoint Bryan Holt as Board Chair.

A motion was made by Fewins, seconded by McKinnis, and carried by unanimous vote to appoint Doug Ropp as Board Vice-Chair.

**APPOINTMENT OF OFFICERS, POSITIONS, AND OFFICIALS FOR 2024:**

A motion was made by Fewins, seconded by Ropp, and carried by unanimous vote to approve appointments below for 2024.

**CONSENT AGENDA:** A motion was made by Fewins, seconded by Bailey, and carried by unanimous vote to approve the consent agenda.

**DISCUSSION ITEMS:**

- A. Foundation Donation** - Dr. Kegler reported the Foundation Board has given FSCC a very generous donation. The gifted funds are to be used at the discretion of administration who will meet with Sarah Smith in the Foundation Office to determine how the funds will be distributed. Dr. Kegler said the funds are being considered for use toward operational expenses, and some will go to payments of COPs and lease payments. Dr. Kegler stated the donation takes some of the stress and pressure of trying to make some of the decisions currently being made. An upcoming meeting with the Foundation will be held on February 1.

There was additional conversation about the ongoing audit process and recently receiving state aid and property tax. Fewins requested the board receive an outline of when the college receives funding from various resources.

- B. Institutional Workstudy** - Dr. Kegler informed the Board a determination has been made that institutional workstudy being received by baseball and softball students could be eliminated. He acknowledged the decision impacts seventeen students receiving \$3,200 per academic year, but it is an opportunity for expenses to be reduced. Students employed as an institutional workstudy on the academic or student services departments would not be impacted. He cited the need to look at other cuts such as personnel or deeper budget cuts if institutional workstudy is not cut. Board members asked questions about how many students currently on institutional workstudy qualify for federal workstudy, and Dr. Kegler reported the Financial Aid office indicated a handful of those students would qualify for federal workstudy funds. Dr. Kegler also addressed having those students report to the athletic director as opposed to their coaches so it appears cleaner. The baseball and softball institutional workstudies are reportedly for field maintenance, and Dr. Kegler said he has offered to reassign an employee from maintenance to take care of those facilities.

Board members Bailey, Fewins, and McKinnis expressed concern about impacting students this semester by eliminating funds students were under the impression they would receive. Dr. Kegler said alternative action can certainly be considered, but FSCC needs to reduce its payroll, as the monthly payroll is too much. The Board reiterated their hope is that workstudy students be a last resort to be cut, and agreed that set guidelines need to be defined for institutional workstudy in the future.

- C. Five Year Financial Plan** - Dr. Kegler informed the Board that Carolyn Sinn is working on a 5-year plan of the last 5 years. He says it will give administration the ability to see increases to salaries and benefits.

- D. Administrative Restructure** - Dr. Kegler explained the revised organization chart proposed to be effective 7/1/24, saying the revised structure is a model many institutions already have or are putting in place. He noted many institutions are faulted in the accreditation process for having too many vice presidents. FSCC has had three to four vice presidents in recent years, and Dr. Kegler reported reducing the amount of vice presidents will make FSCC's structure more in line to other institutions who have gone to a provost-type model. The proposed organization chart would create a Vice President of Student Development. This position would oversee all functional areas that impact students at FSCC. Dr. Kegler stated the current vice presidents would become Deans or Associate Deans in the proposed organization chart, and salaries will be aligned with responsibilities. Dr. Kegler cited a need for consistency in how things are being done and how the student experience is flowing. He stated the restructure will also bring some salaries into line with responsibilities. Dr. Kegler added it is important to minimize some of our administrators and administrative titles, stating the same work is going to be done, just not at the level it is currently. He stated an internal search would be conducted to fill the new Vice President of Student Development, saying he didn't think it would be a necessary to do an external search.

#### **ACTION ITEMS:**

- A.** A motion was made by McKinnis seconded by Ropp, and carried by unanimous vote to approve the John Deere Certificate as described.
- B.** A motion was made by Fewins, seconded by Ropp, and carried by unanimous vote to approve the revision to the Associate of Applied Science in Agriculture Technology for John Deere as described.
- C.** A motion was made by Ropp, seconded by McKinnis, and carried by unanimous vote to approve the Heavy Equipment Operation Program.

There was consensus of the board to take a five-minute recess at 2:06 pm. The meeting resumed at 2:13 pm.

- D.** A motion was made by Bailey, seconded by Ropp, and carried by unanimous vote to approve the Mission, Core Values, and Vision Statements as presented.
- E.** A motion was made by Fewins, seconded by McKinnis, and carried by unanimous vote to approve the 2024-25 academic calendar as presented.
- F.** A motion was made by Fewins, seconded by McKinnis, and carried by unanimous vote to approve the bank signer resolution, listing John Bartelsmeyer as the board appointed signature.

**ITEMS FOR REVIEW:** The Board reviewed items of appreciation and correspondence.

#### **REPORTS:**

- **HLC** - Dr. Kegler described the process the HLC preparation committee is going through in preparation for HLC's upcoming visit October 13 - 14, 2025. The group is meeting weekly to review each criterion and will be spending the next year and a half writing the document. Sara Sutton is co-chairing the committee.
- **GORDON PARKS MUSEUM** - The Board reviewed a report provided by the Gordon Parks Museum.
- **FOUNDATION** - Dr. Kegler said he has asked the Foundation Board to come to a Board of Trustees meeting quarterly. He stated the Foundation has committed to being more of a supporter and partner of the college, including agreeing to help FSCC with the funding for the Foundation Director position.
- **ADMINISTRATION** - The Board reviewed and heard updates from Miami County, Academic Affairs, Finance and Operations, Student Services, and President.

The Board requested an opportunity to evaluate Hall of Fame requirements for the next meeting.

Chairman Holt suggested sending the employee satisfaction survey now, as it would send the message that the board cares what employees are thinking. He recommended the executive team discuss and determine if it should be sent now.

**EXECUTIVE SESSION:** A motion was made by Fewins, seconded by Ropp and carried by unanimous vote to adjourn to executive session for 10 minutes beginning at 4:15 pm for the purpose of discussing non-elected personnel as it relates to performance evaluations and discussion of identifiable personnel information of non-elected personnel with no action expected to follow. The Board invited Dr. Kegler and Gina Shelton to join.

**OPEN SESSION:** A motion was made at 4:27 pm by Fewins, seconded by Bailey, and carried by unanimous vote to return to open session.

**EXECUTIVE SESSION:** A motion was made by Fewins, seconded by Ropp and carried by unanimous vote to adjourn to executive session for 10 minutes beginning at 4:30 pm for the purpose of discussing non-elected personnel as it relates to performance evaluations and discussion of identifiable personnel information of non-elected personnel with no action expected to follow. The Board invited Dr. Kegler and Gina Shelton to join.

**OPEN SESSION:** A motion was made at 4:45 pm by Fewins, seconded by Ropp, and carried by unanimous vote to return to open session.

**ADJOURNMENT:** There being no further business to come before the Trustees, a motion to adjourn was made at 4:46 pm by Ropp, seconded by McKinnis, and carried by unanimous vote.

**Terms & Conditions**

This order form (“Order Form”) is entered into on the last date of signature below (“Effective Date”) by and between Fort Scott Community College, a Educational Organization with offices located at 2108 Horton Street, Fort Scott, KS, 66701-3141 (the “Licensee”) and Community Brands Intermediate, LLC and Affiliates, a Limited Liability Corporation with offices located at 9620 Executive Center Drive N, St. Petersburg, Florida 33702 (the “Licensor”), for the provision of Services listed above. This Order Form is subject to Licensor’s terms and conditions (the “Terms and Conditions”), a copy of which is available on Licensor’s website at <https://www.communitybrands.com/CBTermsandConditionsDec21> and supersedes all prior, conflicting agreements or representations, written or oral between the parties for the Services listed. Capitalized terms in this Order Form will have the meanings given in the Terms and Conditions.

**Order Form Term:**

The term of this Order Form is 12 Months (“OF Term”). This Order Form shall automatically renew for a term of the same length as this OF Term, unless either party provides written notice of intent not to renew no later than one hundred twenty (120) days prior to the expiration of this OF Term. In the event that this Order Form is automatically renewed, Licensor may increase Fees for these Services no more than once per annum.

IN WITNESS WHEREOF, the parties hereto, each by a duly authorized officer, have entered into this Order Form as of the Effective Date.

## GORDON PARKS CENTER POLICY REVISIONS

A.

Rev. 5/4/20

Section 2- - MANAGEMENT OF THE CORPORATION. There shall sit with the Foundation Board members, as ex-officio members, the College President and designated representatives of Fort Scott Community College, contingent upon approval of the Foundation Board.

Rev. 2-6-24

Section 2- - MANAGEMENT OF THE CORPORATION -

There shall sit with the Foundation Board members, as ex-officio members, the College President and designated representatives of Fort Scott Community College, contingent upon approval of the Foundation Board. The ex-officio members, can vote on all matters, as with all other board members.

B.

Rev. 5-20-24

Section 3. MEETINGS OF THE FOUNDATION BOARD. Quarterly meetings of the Foundation Board will be held in the months of May, August, November, and February.

Rev 2-6-24

Section 3. MEETINGS OF THE FOUNDATION BOARD. The meetings of the Foundation Board will be held in the monthly.

C.

Rev. 5-20-24

Section 6. QUORUM. A majority of the Members of the Foundation Board shall constitute a quorum at all meetings of the Board, but if less than a majority of the Foundation Board members are present at said meeting, a majority of the Foundation Board members present may adjourn the meeting from time to time without further notice.

Rev. 2-6-24

Section 6. QUORUM. Fifty percent of the Members of the Foundation Board shall constitute a quorum at all meetings of the Board, but if less than fifty percent of the Foundation Board members are present at said meeting, fifty percent of the Foundation Board members present may adjourn the meeting from time to time without further notice.

## DISCUSSION ITEMS

### A. FIRST READING OF POLICIES

#### 1. Board Member Conflicts of Interest

In the event a Board member is employed by a corporation or business or has a secondary interest in a corporation or business which furnished goods or services to the college, the Board member shall declare his/her interest prior to and refrain from debating or voting for/against the approved motion upon the question of contracting with the company.

It is not the intent of this policy to prevent the college from contracting with corporations or businesses because a Board member is an employee of the firm. The policy is designed to prevent placing a Board member in a position where his/her interest in the college and his/her interest in his/her place of employment (or other indirect interest) might conflict and to avoid appearances of conflict of interest even though such conflict may not exist.

Annually, Board members will be asked to disclose any conflicts of interest.

#### 2. Board Meeting Rules of Order

Except as otherwise provided by law, or bylaws of the Board of Trustees, meetings of the Board shall be conducted in accordance with State Law and the recommendation of the Kansas Association of School Boards ~~Roberts Rules of Order, Revised.~~

~~The~~ chair (or vice chair in the absence of the chair) will conduct all meetings. In the absence of both the chair- and the vice chair~~man~~, the members present shall elect a chair pro tempore who will serve only for that part of the meeting in which the chair- and vice chair -are absent.

Any member of the Board who wishes to make a motion, second a motion or discuss pending business will first secure recognition of the Board chair~~man~~.

The chair will present each agenda item for discussion or designate the President or other staff member who will present the agenda item. All formal actions of the Board will be taken by ordinary motion unless a formal resolution is required by law. It will not be necessary for a motion to be before the Board in order to discuss an agenda item presented by the Board chair for consideration. In the ordinary course of events, the Board will discuss all matters other than routine procedural questions prior to the making of a motion in order that consensus may be facilitated.

### 3. Employee Tuition Scholarship

Employees and their immediate family members are eligible for tuition-scholarships which cover the cost of In-District tuition and fees. The scholarship recipient pays specific course fees and cost of books/supplies. Employees should complete the necessary scholarship form for themselves and/or their immediate family members. The form can be found on the employee pages. Copies of this form are available from the Admissions Office in the Student Services Office.—Employees should schedule classes that do not interfere with their regular working hours. The employee's supervisor and the appropriate dean/vice president must approve any exception. The individual may choose not to apply for the employee tuition scholarship if he or she applied and qualified for another institutional and/or endowment scholarship of greater value. An individual may not receive two or more institutional/endowed scholarships with assistance greater than the value of tuition.

### 4. Campus Closings Due to Weather

It is FSCC's policy to keep the college open for classes during bad weather. The decision to close campus will usually be made prior to 6:00am on the day of classes. If classes are cancelled, information will notification will be submitted to the following local radio and station or television stations. Notification will also be made via the college website, social media, and email and other internal and external media as available.

#### Radio Stations to listen to:

- KESM—El Dorado Springs
- KKOW - Pittsburg
- KMDO/KOMB - Fort Scott
- KNEM/KNMO - Nevada

#### TV Stations to Watch:

- KOAM (CBS Channel 7)
- KODE (ABC Channel 12)
- KSNF (NBC Channel 16)
- KSHB (NBC Channel 41)

In accordance with federal wage-and-hour laws, when the College remains open, faculty and staff who cannot come to work because of bad weather must take personal or vacation leave.

If the decision is made to close a particular site, the President, or designee, of the College may call a holiday for employees at the respective location(s). Even though the site is closed, administrative personnel are expected to coordinate activities and perform duties as necessary and appropriate.

**C. 2024-25 ACADEMIC YEAR FEES**

## **D. FSCC ATHLETIC HALL OF FAME GUIDELINES**

**BACKGROUND:** Following are current guidelines for admission to the FSCC Athletic Hall of Fame.

### **Philosophy:**

To recognize outstanding athletic alumni who have successfully participated at and represented Fort Scott Community College.

### **Criteria for Membership in the FSCC Athletic Hall of Fame:**

1. Has received post-season athletic honors while attending FSCC.
2. Has successfully coached at FSCC.
3. Has successfully coached, receiving honors, at a program other than FSCC.
4. Is a contributor/supporter to the FSCC Athletic program

In addition to 1, 2, 3, 4 above, candidate must meet all of the following:

5. Is a solid citizen of their community.
6. Has successfully completed either a two-year or four-year degree.
7. Is not eligible for nomination until four years after competing or coaching at FSCC.

The Committee has the discretion of adding requirements to the general criteria for Hall of Fame Membership.

### **Nominations:**

The respective athletic teams/rodeo and alumni may nominate former participants for the Athletic Hall of Fame. Nominations will go before the Athletic Hall of Fame Committee for selection. Former coaches or players who have been very successful and were positive representatives during their tenure are eligible for membership. Contributors and/or supporters that have made a significant impact on FSCC athletics may be considered.

### **Committee:**

The Athletic Hall of Fame Committee will be decided upon each year by the Athletic Director.

## ACTION ITEMS

### A. RESOLUTION 2024 - 1: APPROVAL OF PETTY CASH INCREASE

**BACKGROUND:** Currently \$3,300 in petty cash is retained daily to allow the business office to meet needs of departments as they arise (cash box, cash payments, issuing change, etc). A \$2,000 increase to this allowed amount is requested in order to facilitate cash issued to teams for travel meals under the new travel procedure. This would make the allowed petty cash amount \$3,500.

**RECOMMENDATION:** It is recommended the FSCC Board of Trustees increase the allowed petty cash amount from \$3,300 to \$3,500.

**B. RESOLUTION 2024 - 2: CONSIDERATION OF SYCAMORE GROVE APARTMENTS  
LEASE AGREEMENT**

**BACKGROUND:** As a measure to maximize fiscal responsibility and resources, FSCC Administration has examined capacity of available campus housing. Terminating the current lease with Sycamore Grove Apartments at the end of the current agreement is in the best financial interest of FSCC. The institution would vacate the property no later than June 30, 2024.

**RECOMMENDATION:** It is recommended the FSCC Board of Trustees agree to terminate the current lease with Sycamore Grove Apartments upon completion of the current agreement term.

Our most popular off campus program prepares PHS students for a CNA license exam. Today, Panthers practiced a nursing home fire drill as part of their training through the Miami County Campus of FSCC. [#employedenlistedenrolled](#)

**Miami County, Kansas Sheriff**  
2h · 🌐

Today Captain Roush and Sergeant Maynard met with students of Fort Scott Community College Paola Campus to talk about the Jail Division. The students are taking a course that teaches about law Enforcement and the Jail.

Paola High School and the Miami County Sheriff's office have done a great job marketing the CTE programs for us this month. They have posted (without any nudging – I promise) some of the labs and events the students have been participating in at the Paola campus. We don't have to toot our own horn – we have so many other people doing it for us! Toot-Toot!

It is fun to watch the projects and presentations develop over the semester. The students are able to shine and show their talents through projects. As a former instructor, I see the value of projects and kinesthetic learning opportunities for students. Most of the time, they will surprise you with the outcomes of what they can do. There are a few who would do just what they needed, but those that wanted to leave an impression – those were the ones who made you remember why you put time and effort into your lectures and lesson plans.

Pictured left is Austin's poster for his General Biology presentation. In addition, he spent several hours designing and printing a dinosaur and bird foot to incorporate into his presentation.

It may appear some of the Anatomy and Physiology class enjoyed their class outside today (above). However, not everyone was equally enjoying the opportunity. Can you find the student who was not really excited about the dissection? I will say, it was very fun to take her picture.

We rarely get the chance to change the bulletin board in the hallways at the Miami County Campus, so it was a treat to have the MICA (Miami County Campus Ambassadors) come up with a clever way to

remind students to enroll in their classes for the spring. It was very eye catching and gave the students something new to look forward to when they came into the college. We look forward to seeing what they have in store for the January (spring) themed bulletin board.

## December 2023

Most of December included the administering of final exams as well as C.N.A. state exams. Nolanda administered the C.N.A. exams in Miami County for the Osawatomie, Paola, and Louisburg High School students (34 total). In addition, there was almost a dozen interstate students from other on-line programs she proctored on the 13<sup>th</sup>. I was all ready to recruit them to take pre-requisites for their nursing, but found they were either from Pittsburg, Lansing or the Kansas City area. I still tried, but they gave me the look of, “you’re crazy, lady.” I get that look a lot – so I am familiar with it.

I received an email on November 30<sup>th</sup> around 9am which informed me only two short hours earlier, Denise Hagberg had passed away. She taught the Allied Health classes, alongside of her husband, Bob, at the Miami County Campus from November 2008-November 2013. She was fondly remembered by all her students as someone who made a positive difference in their lives. It was ten years to the day (almost to the hour) Bob preceded her in his homecoming. Bob and Denise’s family started an endowment scholarship in Bob’s name ten years ago at Fort Scott Community College.

Our IT department has been working non-stop to install the new hovercam instructor systems in three of our classrooms and complete some additional computer updates.

The ATM machine also arrived on the 13<sup>th</sup>. It will be ready to go by the start of the new semester.

**A TEACHER’S PRAYER.** I was looking for something to leave everyone as a final thought for the year. That is when I found this document (right). I thought it would be a great gift to all those who read this newsletter and report. Those reading are either educators, former educators or administrators at an educational institution, so I hope these words find meaning in your hearts – as it did mine. Reading these words help me remember why I am here and what my true purpose really should be – always.

**Merry Christmas!**

## January 2024

January is off to an exciting new start. The best part of this new year is the return of Vickie Laderer. She is back with some fresh and exciting new ideas for this new year. We are so glad she is back and we are ready to help with getting some momentum going again in the Allied Health department with the Miami County high schools!

The spring and summer semesters are full of heavy recruiting in the high schools. We will be making several visits to the area high schools to help inform the students of all the courses available at the Miami County Campus. In addition to earning their full associate of science, art or general studies degree, students can earn CTE certificates in Criminal Justice and Welding, as well as earn their C.N.A certificate.

A quick look back on the first day of class will show we were down by 19 credit hours. This is approximately 1 ½ full-time students. We were at about the same number when compared to Fall 2021 and up by 45 credit hours (almost 4 students) from the 2020 school year. According to this same report (Enrollment by Date), looking at January 29<sup>th</sup>, it appears we gained 85 credit hours since the first day of class. This can be contributed to high

### A TEACHER'S PRAYER

Lord, let me be just what they need.  
If they need someone to trust, let me be trustworthy,  
If they need sympathy, let me sympathize.  
If they need love, (and they do need love),  
let me love, in full measure.  
Let me not anger easily, Lord but let me be just.  
Permit my justice to be tempered in your mercy.  
When I stand before them, Lord, let me look strong and good  
and honest and loving.  
And let me be as strong and good and honest and  
loving as I look to them.  
Help me to counsel the anxious,  
crack the covering of the shy, temper the  
rambunctious with a gentle attitude.  
Permit me to teach only the truth.  
Help me to inspire them so that learning will not cease  
at the classroom door.  
Let the lessons they learn make their lives fruitful and happy.  
And, Lord, let me bring them to You.  
Teach them through me to love You.  
Finally, permit me to learn the lessons they teach.

school students and anyone adding past the first day of school (January 10<sup>th</sup>). At this point in time (last day to drop with a refund), we are behind where we were the year before by 22 credit hours (still less than 2 full-time students). At each point in time, we were still at a much higher enrollment than we were in 2021 and 2020.

When we start working on the fall schedule, we hope to add a few courses we have not had in a while to bring in new groups of students we have not had before. We are also hoping to bring back some strategic class schedules that will allow us to accommodate more of the working adults in the area. There are so many students wanting to return to school, but are having difficulties making the time work because of their work schedule. Some of these same students prefer the face-to-face to the online format as well. They are the target audience for the Miami County Campus evening groups.

We definitely experienced some winter weather at the beginning of the semester. I love the snow (not the ice) and a snow day once in a while, but the ice and frigid cold was more than what I would have asked for. The snow days coming right at the beginning of the semester was also quite an inconvenience. I have never been more ready to get classes going and the semester to get started than what I was this semester. The new college policy (close when the area high schools closed) definitely made things a little clearer to the faculty, staff and students. It streamlined the process and everything went smoother than it has in years (or possibly ever).

**Welding**

There is so much to learn in a welding class. Being able to weld, not only helps you find a great career, but can also allow you a creative outlet and learn to design, develop and create practical things you can use over your lifetime. Some students take the welding class to help them obtain an advance career, some so they can fix fence on their farm, and others learn so they can create art. The students that attend can be as diverse as their projects. Some projects included a bed frame, weight racks, and flowers made with scraps.

## **Upcoming Events:**

- Paola High School visits
- Osawatomie High School visits
- Louisburg High School visits
- Louisburg High School CTE (Welding, CRJ, C.N.A.) program presentations – Scheduled March 7<sup>th</sup>

## Student Services – February 2024

### **Student Life/Campus Security:**

- Sent out multiple messages to students who still had a balance for the fall semester. We sent emails, texts, and delivered paper copies of bills to the students in an effort to collect money owed.
- Developed RA schedule for the spring semester.
- Met with a student activity committee and developed the activity calendar for the spring semester. We will meet again in April to develop a calendar of activities for the fall 24 semester, including move-in day and welcome week.
- Held meetings with resident assistants to go over protocols and procedures for room checks and searches.
- Took applications for new students who started at FSCC for the spring semester.
- Continued work on Strategic Enrollment Management (SEM) plan.
- Gathered donated items for two rooms in the residence halls to be displayed to potential students on campus visits. We now have one room in Boileau and one room in Greyhound set aside for admissions use on tours.
- Trained Alyssa Martin, who will be assisting us in a housing director capacity.
- Worked on room assignments to fill the rooms of students who left with new students for the spring semester.
- Worked on a cleaning schedule with maintenance to prepare the halls for new students in the spring.
- Working on modifying the housing application and contract to reflect options for the fall of 2024. We plan to open housing applications on March 1<sup>st</sup>.

# BOOKSTORE

## Christina Kennedy, Bookstore Manager

### HIGHLIGHTS

- Served hundreds of students as books were distributed during the first week of the Spring semester.
- Trained on the new postage machine.
  - We have sent a letter of request to the post office to switch our pickup and drop off location to the Dick Hedges building.
  - This had to be a formal request as the route has to be changed.
  - This postage machine will also save us a few hundred dollars a year.
  - This change will allow us to better serve students
  - Helps us tighten up mailing processes.

### DID YOU KNOW?

- Teams and other organizations are allowed to bring in merchandise to sell which the funds go back to their programs.
- We have everything from blankets, stocking hats, shirts, lanyards.
  - Come see us to pick up gifts!
- We are looking at still bringing in those outside, local partners.
- A book isn't always a book anymore - the bookstore acts as the distributor of codes
  - We have more codes than books.
- Bookstore also takes care of the FedEx, UPS and other shipping needs and acts as a point for students to pick up shipped goods.

# BUSINESS OFFICE/FINANCE

## Gina Shelton, Dir. of Business

### HIGHLIGHTS

#### • **STUDENT SUPPORT:**

- Assisted hundreds of students with making sure that payment arrangements had been made.
- Made those connections needed between Financial Aid and the Cashier.
- Will continue to cross-train to better be able to serve students.
- We know there are things we need to work on the billing side of things. Those bills are not good.
  - We know that we only have one more school year until that will look different with the new system, but will make necessary improvements prior to.
  - 1098Ts have been appropriately filed.

#### • **EMPLOYEE SUPPORT**

- **Payroll**
  - Around 200 employees.
  - All 1099s and W2s have been appropriately filed.

#### • **PURCHASING SUPPORT**

- Really pushing this back to departments to be responsible for the initial purchases and the delivery of such.
- Make sure people have the ability to complete a process.
  - Found out that many either didn't have access, don't know how, or don't use the inquiry screen to get information.
- We will look to a much simpler process next year and have started cleaning up so that processes will be smoother.

# BUSINESS OFFICE/FINANCE

## ONGOING PROJECTS & GOALS

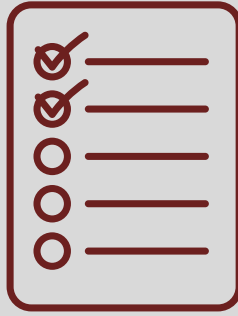

### • **AUDIT**

- Still working through Balance Sheet & Receivable issues.
  - Some of these items go back many years so it has involved a lot of going back through what is in the accounting system as well as what is not.
- The goal is that we clean up these issues this year so that moving forward we aren't fighting the same problems.
- Must be filed with FSA by March 31.
- Will continue to request that items go through the Board in the form of contracts and approved agreements. This creates a roadmap for the auditors in the form of what major activity has taken place.
- We will continue asking questions as a clean audit for my expectation is different than what it may mean for others.

### • **ACCOUNTING & BUDGET**

- Continue learning our financials and modifying the formats in order to pull information.
- Made adjustments to the chart of accounts to better pull information.
- Pushing information back into the accounting system.
- Tasking departments to look at Spring budgets.
- Continue capturing into POs all upcoming expenses.
- Time has been the biggest challenge.
- Bank reconciliations are in process - this will be shifted to Dir. of Business moving forward.
- Budget process will start up and we are prepared to make adjustments as needed.

# BUSINESS OFFICE/FINANCE

## ONGOING PROJECTS & GOALS

### • EMPLOYEES & PAYROLL

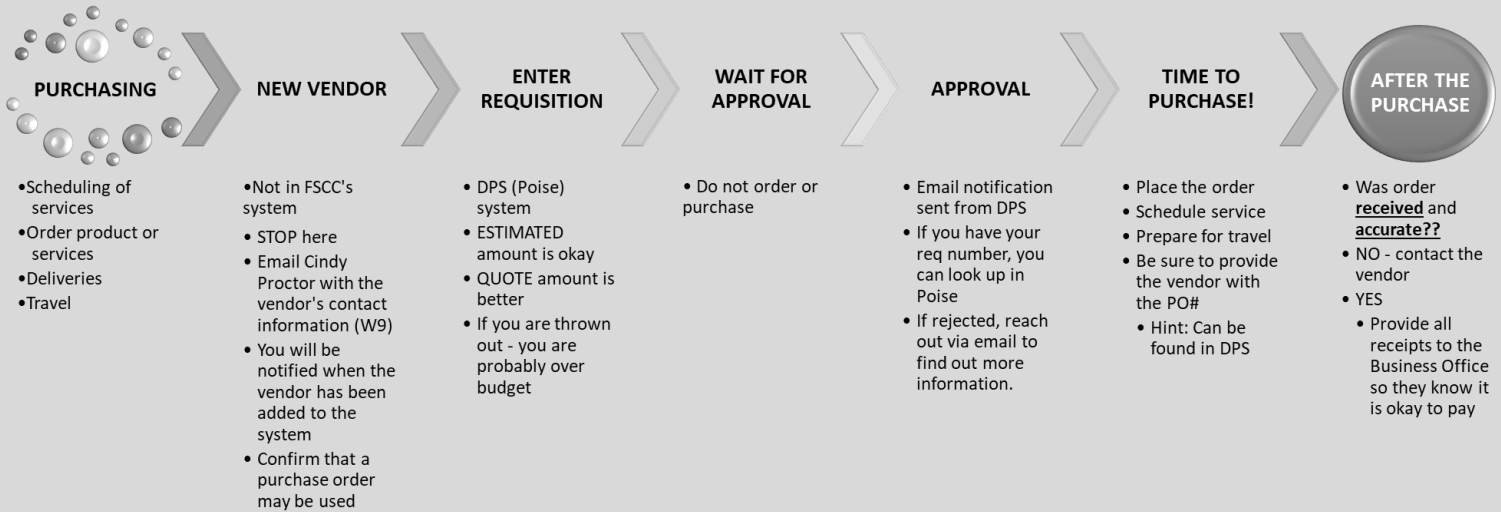

#### ◦ Payroll

- Should be about a 7 day cycle of work by the time there is work up, processing, and payment of liabilities for a payroll of our size.
  - Doable if timelines are adhered to.
  - We should be sending emails to staff no later than 24 hours prior to the payroll.
- Online time and leave system
  - We are on paper timesheets.
  - Our leave system does not speak to the paper timesheets.
  - Right now our processes are very manual and a lot of corrective items.
- An area where value can be added for staff without adding money
  - Received a lot of feedback about the timing of payments related to payroll.
    - HSA needs to be handled correctly.
    - Options for employees need to be available.
  - Ability to answer questions related to paychecks.

### • SPRING RODEO

- Excited to see it in action on the weekend of March 8th.
- Brings a lot of people to town and eligible students to the institution.
- Met with Coach Cross and Coach Cali and they walked me through what that looks like.
- We will be ready to collect funds and disburse expenses.

# BUSINESS OFFICE/FINANCE

## PURCHASING 101

- This has been added to the Employee Portal.
- We will continue adding additional resources for staff.
