

Assessment Report: Co-Curricular

Department: TRIO Student Support Services	Academic Year 23-24		Submitted By: Holli Mason
Objectives	Means of Program Assessment and Benchmark:	Summary of Data Collected and Findings:	Use of Results:
Students will develop strategies for personal growth and leadership.	<ol style="list-style-type: none"> 1. Frequency of social interactions with mentors <ul style="list-style-type: none"> • 50% of the active TRIO students will have at least one social interaction with a mentor during an academic year. 2. Attending TRIO sponsored events <ul style="list-style-type: none"> • 50% of the active TRIO students will attend at least one TRIO sponsored activity. 3. Student survey <ul style="list-style-type: none"> • 70% of students who complete the survey will find the event valuable. 	<ol style="list-style-type: none"> 1. 87 out of 151 students (58%) met with a TRIO Mentor at least once during the 23-24 academic year. Benchmark Met 2. 89 out of 151 students (59%) attended at least one TRIO sponsored activity during the 23-24 academic year. Benchmark Met 3. 98% of students found the activities held by TRIO valuable. Benchmark Met. 	<ol style="list-style-type: none"> 1. Students were documented as having a Mentor Contact if they met individually with their mentor or if they attended one of the TRIO Mentor activities. In the future, TRIO staff will work to ensure students and mentors participate in a meaningful/constructive conversation at the Mentor activities and during individual meetings by requesting a summary of the interaction from the Mentor. 2. For the coming year, the Benchmark will remain the same to guarantee consistent results. TRIO will review the data from the first two years and develop a plan for the future. 3. For the coming year, the Benchmark will remain the same to guarantee consistent results. TRIO will review the data from the first two years and develop a plan for the future.

<p>Students will implement strategies for degree attainment.</p>	<ol style="list-style-type: none"> 1. Graduation rate <ul style="list-style-type: none"> • 40% of each TRIO cohort will graduate with a degree or certificate within 4 years. 2. Graduation/Transfer rate <ul style="list-style-type: none"> • 20% of each TRIO cohort will graduate and transfer within 4 years. 3. Financial Aid <ul style="list-style-type: none"> • 70% of the students will meet the SAP policy. 	<ol style="list-style-type: none"> 1. 37% of students in the 2019-2020 TRIO cohort graduated with a degree or certificate within 4 years. Benchmark Not Met 2. 19% of students in the 2019-2020 TRIO cohort graduated and transferred within 4 years. Benchmark Not Met 3. 98% of the students met the SAP policy Benchmark Met 	<ol style="list-style-type: none"> 1. To help ensure students receive a degree/certificate, TRIO monitors students' academic progress and transfer status. TRIO informs students of summer and intersession classes, as well as reverse transferring. TRIO also monitors students' class progress, grades, and attendance and communicates with students about their progress in their classes. 2. TRIO completes the following activities to help increase graduation AND transfer rates: 4 year college visits, cultural events showing various professions, financial aid workshops to keep aid intact, degree monitoring and grade checks. 3. TRIO facilitates FAFSA workshops with FSCC's Financial Aid office and hosts a FAFSA Day each semester to help students complete their FAFSA each academic year. TRIO also monitors students' class progress, grades, and attendance and communicates with students about their progress in their classes. TRIO develops plans to ensure academic success in order to maintain good standing with Financial Aid.
